

Dearest Mommy,

Mew mew mew: happy mother's day!

Thank you for my foodies, my wa-wa, and all the cuddles. Sometimes you love on me more than I want, but it's exactly what I need. I also love all the toys you get me; would I even be the same kitty without my rainbow snake or tweet tweet? I think not! I know it can be hard raising a young boy kitten, but you are doing a great job. Also, thank you for all the work you have done to keep the home flea free during flea season. You are the best protector!

In addition to this letter, I will kill a roach and leave it on your pillow so you really know how much I care. I love you mommy. Mew mew mew: there's no me without you!

Love mew (you),  
Bubble
