The time has come to celebrate  
Our awesome vet tech crew  
And you can bet that they're the best  
Doc picked them just for you!

First up is Tabitha - who's been  
With us for 6 great years  
She manages the hospital  
And all the patients here!

She's one smart cookie too you know  
And always helps you out! 🧑🏻🩺 😊  
That's why our vet tech Tabitha  
Deserves a big shout-out!

Next is Colleen - a great teacher  
And mentor for new techs!  
5 years spent here at the Cat Practice  
We think she's just the best!

Excellent with kitty cats  
And versatile - what's more!  
Colleen's a great team member here  
The best we could hope for! ❤️ 🐱

Britney is our third vet tech  
And great right from the get-go  
She comes to us from the lovely land  
Of sunny San Diego! 🌞 🌍

Soft spoken and adaptable,  
She's up for anything  
No matter what may come her way  
It's expert work she brings!

Our newest tech is Ashley  
And we think she's pretty sweet  
She comes to us from Lafayette  
And she's one you'll want to meet

Great with cats and people too  
We're happy she came over  
And for all you spooky cats out there  
Her favorite month's October! 🧛 🐱

Hi folks, it's me Raptor reporting live from 1809 Magazine with all the info on some of our wonderful staff here at the Cat Practice! Do you have a great memory of one of our amazing vet techs? If so, let us know in the comments! We love to show our amazing team how much we appreciate them, and there's nothing better than hearing from all of our happy and healthy clients and kitties!

Over and out,
