I'm thankful for Doc and his staff
Right here at the CP
With all our quirks and loving care
We're one big family

I'm thankful for the Holidays
And all the joy they bring
With toys to chase, and food to eat,
And jingle bells to ring

I'm thankful for this hospital
The place where kitties heal
With expert care and medicine
And staff who know the deal

I'm so thankful for all of you
Who trust us with your kitties
And wish y'all Happy Holidays
In this merriest of cities!

Have a wonderful holiday season y'all! This is Raptor reporting live from 1809 Magazine, wishing you a warm and happy Thanksgiving and much more wonderful holiday fun to come!

Over and out,
Raptor 🐾🐾
