In 2019 let's be sure
To live our very best
With love and joy and merriment
For cats and all the rest!

Let's make new friends and keep the old
Enjoy the little things
And jump paws first into the year
With all the fun it brings!

Our resolutions for this year
Include preventive care
To keep us healthy all year round
And make health problems rare

From med exams to dental checks
Bloodwork and diet too
The time is now to take a stand
Against cat illness blues!

So call us up and come on in!
With smiles and aplomb
Doc and his team keep kitties fit
For all their years to come

Howdy folks, this is Raptor reporting live from 1809 Magazine to wish you all a happy and healthy new year! We're so grateful you've trusted us to take excellent care of your kitties all these years, and look forward to many more wonderful and illness-free days ahead in 2019 and beyond!

Over and out,
Raptor
