

2.22.19

Endymeow has come and gone  
It's been our best one yet!  
We made good friends and memories  
That we won't soon forget

So as we look back on that night  
With fondness now it's done  
We want to thank the special folks  
Who helped the evening run!

We want to thank our Royalty  
The King and Queen - be praised!  
And thank you to their parents too  
For what great cats they've raised!

We thank Aurora Lee  
Who reads our tarot and much more  
Her cards can guide us on our path  
And tell us what's in store!

Big thanks to Michael Hilbun  
Our guitarist for the night  
His music was the perfect way  
To set the mood just right

Thanks too to Susan and David  
They always save the day  
And to our super awesome staff  
Who helped in endless ways!

Thanks to Felicity  
Who took our photos all night long  
And Jude and Hunter - thank you both  
For helping all along!

So that's a wrap!  
Endymeow '19 is now all done  
And thanks to all these helpful folks  
It's been our favorite one!
