Memorial Day is here at last!
And that means Summer too
It's time for fun out in the sun
And ocean waves so blue

But if you're planning for a trip
However far you roam
Make sure your cat is safe and sound
While you're away from home!

The Cat Practice has expert staff
To care for kitty friends
While you're away we're here to stay
And to cats' needs attend

Our clean and quiet boarding space
Is simply where it's at
With no loud dogs it's just the spot
For the most discerning cat

So if you've got a date planned
For a summer getaway
Just call us up and give your cat
The best while you're away!

Howdy folks! This is Raptor reporting live from 1809 Magazine to remind you all about our awesome boarding facilities here at the Cat Practice! With no loud dogs or squawking birds, our visiting kitty guests stay in style and comfort always! Call us up or come on in to schedule a boarding appointment, and here's to many warm days of fun in the sun ahead!

Over and out,
Raptor 🐾
