We all know Doc's a specialist  
In feline-friendly care  
But did you know that means something  
Quite meaningful and rare?

Doc's ABVP certified  
In feline medicine  
It means he's trained to be the best  
So let me fill you in!

This year will be his 3rd time  
Earning this certification  
That means he's one of only  
78 docs in the nation!

To earn this title means you must  
Be fully up to date  
On all the latest kitty science,  
Treatment, and technique

So let's all give a big "Congrats!"  
And a round of applause  
'Cuz Doc's the best there is  
For anyone with kitty paws!

Howdy folks! This is Raptor reporting live to congratulate Doc on his 3rd consecutive recertification with the ABVP (that's the American Board of Veterinary Practitioners!) in Feline Medicine!
